

Magic 3D Christmas Glasses!

Our amazing Christmas Glasses transform any Christmas tree fairy lights into Snowmen, Reindeer, Gingerbread men and even Father Christmas himself!

In fact, Christmas Glasses transform any point of light into a magical Christmas image

Listen for the "WOW!" every time someone tries them for the first time

With over 10 million Christmas Glasses sold in North America, Sparkle & Light first introduced Christmas Glasses to the UK for Christmas 2012. We sold over ¼ million for Christmas 2016!

Christmas Glasses are a proven exciting addition to your Christmas shop. At a typical retail price of £1.99 they are a great impulse buy. Locate next to your Christmas light display for maximum impact.

Give your customers something really different & exciting this Christmas!
